

Frank Joseph Ponzio

March 18, 1963 – June 29, 2022

Frank Ponzio passed away unexpectedly on June 29, 2022, at age 59. Frank helped bidders view lots and recorded auction results at our live auction sessions.

Frank was born in NY and remained in the NYC area until he moved to Windermere, FL, in 2007 to be closer to his family. In NY, he worked as an accounts payable manager for the American Society of Composers, Authors and Publishers (ASCAP). He also worked part-time at the Disney Store.

Frank became a full-time cast member at Walt Disney World when he moved south. He worked at several Disney hotels, both as a desk clerk and as a member of the concierge team, until he transferred to Disney Food Services, where he worked as a training coordinator for employees who would be handling food at dining facilities in the Magic Kingdom. His office was under Main Street not far from the Hub.

In his spare time, Frank enjoyed cooking, gardening, and visiting with family. He is survived by his parents, brother, nephew, and niece. The Sedwick Team extends their condolences to Frank's family.

Anybody who worked with Frank or who knew him as a friend will miss him greatly.

Requiescat in Pace
